Chemetall increases sustainability and lower costs

Painted Plastic Industry — Case Study

(GardoPrep® 5635/1 neutral plastic cleaner)

Significantly reduces both energy use and material waste

Realized gains in process efficiency:

- \$80,000 USD in energy savings from lower operating temperatures.*
- \$75,000 USD in savings in material waste due to improved quality.*
- Ambient temperature rinse aids.
- Lower salts reduce filter maintenance.
- Low conductivity and foam increase ease of use.
- Improve Safety, Health, and Environment (SHE) performance.

Learn about Chemetall's innovation!

• Gardoprep® 5635/1 neutral plastic cleaner.

An international Chemetall manufacturing customer in central Europe needed to improve an existing single step power wash prior to paint while reducing overall operational costs. The parts were Polypropylene/Ethylene-Propylene-Diene Monomer (PP/EPDM) and Acrylonitrile Butadiene Styrene (ABS) parts. Chemetall is a leading supplier of innovative cleaners and surface conditioners for the automotive industry.

*Estimated

Our focus is you, our automotive customer.

Previous process

Gardoprep® 5626, mildly alkaline cleaner

Operating concentration 1.5% by volume

High energy costs due to 55°C operating temperature cleaning

Chemetall's process improvement

Gardoprep® 5635/1 neutral plastic cleaner

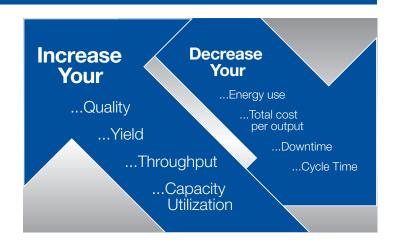

Operating concentration 0.5–1% by volume

Estimated \$80,000 USD per year of energy savings due to ambient operating temperature cleaning

Cut it. Clean it. Coat it. Control it. Conserve it.® with us!

We are the Surface Treatment global business unit of the Coatings division of BASF, operating under the Chemetall brand, a leading supplier of applied surface treatments and services for metal, plastic, and glass substrates in a vast range of industries and end markets.

Our global specialists are locally available. Our experts provide focused, passionate, and accountable support. You can expect the highest quality from our integrated portfolio of innovative products. Our labs are fast and accurate. We will collaborate with you to increase the efficiency of your process performance.

Chemetall is proud to serve North America from the following locations

North American Headquarters

675 Central Avenue New Providence, NJ 07974 Tel: 908-464-6900
